

Sponsorship Package Spring 2017

Introduction

We're organizing HackUVic (previously known as HackVictoria) this March at the University of Victoria and we would like you to be involved! We're looking for sponsorship for the 2nd iteration of our annual hackathon on March 11th and 12th.

What's Changed?

On top of everything we did last year, we're also looking to print out T-Shirts for our attendees! We're also planning to accommodate more people, and to accomplish these changes we had to raise the monetary values of each tier, and also added a limited Platinum tier!

Sponsorship

What can you do to provide sponsorship to HackUVic?

- Prizes: We need prizes for our contestants! We'd appreciate donations like services, gift cards, devices (we'd love to give away an Oculus) or cash prizes, but anything is welcomed.
- Swag: We'd love to give away your stickers, lanyards and clothing to our competitors (who will definitely want to work for you once they see how awesome your promo materials are).
- Food: We're providing meals throughout the Hackathon for free to all members, sponsoring one of them is more than welcome!

Tier Summary

	Bronze Tier Less than \$300	Silver Tier \$300 to \$500	Gold Tier \$500 to \$1000	Platinum Tier More than \$1000
Logo	"Bronze" Section	"Silver" Section	"Gold" Section	"Powered by"
